Colonel J. J. Wagstaff  
U.S. Army War College  
Carlisle Barracks, Pennsylvania

Dear Col. Wagstaff:

Enclosed please find copies of unclassified projections of economic growth of a number of Free World countries. I promised the Advanced Study Group that I would see what material was available here, which might not have come to their attention, on this subject. Will you please pass this on to the Group?

May I thank you and Mrs. Wagstaff again for your hospitality on my recent visit to Carlisle Barracks.

Sincerely,

Enclosure: As listed above
